

MOTION

Commission action is needed to waive Sections 5.02 and 5.03 of the Human Relations Commissions (HRC) Bylaws to allow for postponement of board elections that were scheduled to take place at the July 2022 commission meeting for the Human Relations Commission. Given the influx of a new duly-elected Mayor and possible new duly-elected City Council Offices, the Civil, Human Rights and Equity Department recommended that the HRC board elections be postponed until such time as the new Mayor has been elected and have made their commission transitions, if any. However, this Motion does not waive any other rights that this Board or its members may have with respect to its Bylaws.

I HEREBY MOVE that the board approves the postponement of the general board elections until 2023.

July 27, 2022
